25 EXPLANATION

26 Current law provides an exemption from property taxation  
27 for dwelling unit property owned and managed by a nonprofit  
28 community housing development organization if the organization  
29 owns and manages more than 150 dwelling units located in a city  
30 with a population of more than 110,000.

31 This bill removes the requirement that the nonprofit  
32 organization own and manage more than 150 dwelling units  
33 located in a city with a population of more than 110,000. The  
34 bill also removes the provision that allows an organization to  
35 receive the exemption during 2005 and 2006 assessment years

H.F. 2152
